UTILITY-50
CHASE

(SAE) (DOT)
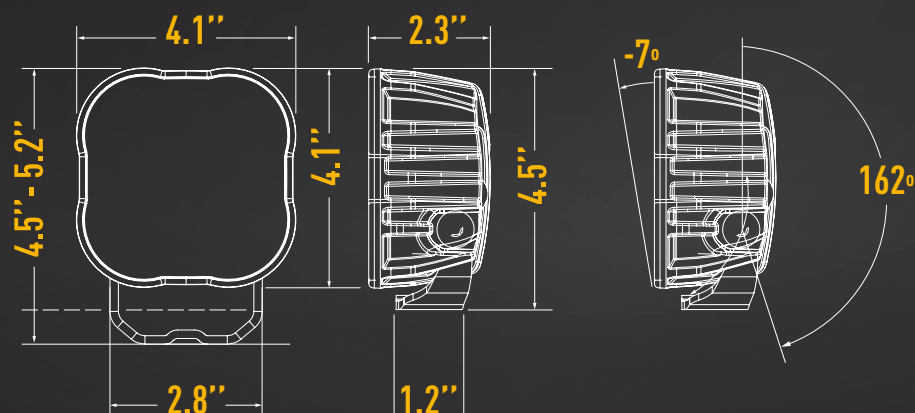

The Utility-50 Chase light delivers all-in-one, SAE/DOT compliant, rear lighting performance for serious off-road and race applications. It combines a white flood light with SAE/DOT compliant red stop and red tail lights, alongside an SAE/DOT compliant amber (flashing or ON) beacon warning light to keep you safe, visible, and in control – no matter how tough the terrain or how dark the night.

Engineered for extreme environments and designed for ultra-reliable performance and function, the Utility-50 Chase keeps you seen wherever the trail takes you.
