HIGH PERFORMANCE LIGHTING

LR-24 ELITE

The LR Series is borne out of extensive testing at the highest levels of professional track and rally motorsport, the LR Elite represents the pinnacle of LED driving light technology. The best just got better, with the incorporation of the very latest high efficiency LED technologies, used in combination to deliver more distance illumination and more left/right spread of light, guaranteed to impress across all road or motorsport applications. Subtle styling updates have resulted in a clean contemporary design, with a more aggressive edge, to match the aesthetic design prevalent on modern vehicles.
